Skill Highlights

Python	JavaScript
Machine Learning	Git
Data Science	Docker
Quantum Computing	Postman

Languages

Inglês – C2
Português – Native
Espanhol – B1

Certifications

Quantum Conversations
IBM
Issued Jan 2022

Watson Assistant Hands-On
IBM
Issued Sep 2021

Cloud Practitioner Essentials
Amazon Web Services
Issued Dec 2021

Machine Learning Foundations
Udacity
Issued Aug 2021

English Certificate – C2
EF Standard English Test
Issued Mar 2021

Summary

B. Sc. in Engineering Physics at Federal University of Rio Grande do Sul, currently in 8th semester, with expected graduation in December 2022.

Currently, I work as an Intern at IBM.

I'm fascinated about Physics, Quantum Computing and Data Science.

Experience

IBM
Intern
Aug 2021 - Present · 7 mos

- Development and debugging of e2e tests for AI chatbot.
- Support developers.

Cadastra
Assistant Data Scientist
Nov 2020 - Aug 2021 · 10 mos

- Develop myself to assist in data gathering and data analysis from distinct tools for result measurement and help with insights of new marketing strategies and goals.
- Draft daily result reports.
- Research about data analysis and data visualization.
- Support data scientists.

Education

Federal University of Rio Grande do Sul
Bachelor of Science, **Engineering Physics** · Jan 2016 - Dec 2022
