Skill Highlights

Python
Quantum Computing
Machine Learning
Data Science
JavaScript
Git
Docker
Postman

Languages

Inglês – Fluent
Português – Native
Espanhol – B1

Certifications and Badges

Summary

B. Sc. in Engineering Physics at Federal University of Rio Grande do Sul, currently in 9th semester, with expected graduation in October 2022.

Currently, I work as an Intern at IBM.

I'm fascinated about Physics, Quantum Computing and Data Science.

Experience

IBM
Data Engineer Intern
Fev 2022 – present · 5 mos

- Help with ETL jobs,
- Check and produce evidence of correct ETL jobflow,
- Do some SQL queries to check if the final data are being correctly generated,
